

### REMARKS

This document is submitted in response to the final Office Action mailed November 15, 2005 ("Office Action").

Applicants have cancelled claims 2 and 7. Accordingly, Tsung-Yin Tang, a co-inventor of the subject matter of claims 2 and 7, has been deleted from the inventorship of this application. Applicants attach herewith a request to correct inventorship under 37 C.F.R. 1.48(b).

Claims 1, 3, 4-6, and 8-10 are now pending. No new matter has been introduced. Reconsideration of these claims is requested in view of the following remarks.

#### Rejection under 35 U.S.C. § 102(a)

Claims 1, 3-6, and 8-10 were rejected as being anticipated by an article authored by Chang-Chih Chen, Ching-Tsuan Huang, and Kou-Joan Cheng, ("Chen *et al.*").<sup>1</sup> See the Office Action, page 2, lines 13-14.

In particular, the previous Office Action (dated February 22, 2005) noted that the inventive entity of the present application, i.e., consisting of Chang-Chih Chen, Ching-Tsuan Huang, Kou-Joan Cheng, and Tsung-Yin Tang is different from that of Chen *et al.*, as Tang was not an author of this reference. See the Office Action mailed 2/22/05, page 3, lines 17-20.

Applicants would like to point out that as claims 2 and 7, covering subject matter co-invented by Tang, have been cancelled, so Tang is no longer listed as an inventor in this application. Thus, the inventive entity of the application now consists of Chang-Chih Chen, Ching-Tsuan Huang, and Kou-Joan Cheng, i.e., the same as that of Chen *et al.* Applicants therefore submit that Chen *et al.* is no longer available as prior art against the pending claims.

#### Rejection under 35 U.S.C. § 103(a)

Claims 2 and 7 were rejected as being obvious over Chen *et al.* in view of Cory.

As pointed out above, since Applicants have cancelled claims 2 and 7, Chen *et al.*, the primary reference, is no longer citable. Thus, the ground for this rejection has been mooted.

---

<sup>1</sup> Applicants note that the name "Hunag C-T" as listed in the Chen *et al.* reference, is misspelled. The correct name is "Huang CT," i.e, Ching-Tsan Huang, one of the inventors of the present application.

Applicant : Kou-Joan Cheng, et al
